

# Company Profile

## Quran House

Your online House, where you can learn  
Quran, Arabic, Tajweed and Islam.

## Who are we?

We are a leading online Islamic academy that offers one of the most effective Arabic and online Quran teaching programs, additionally we offer teaching Islamic studies for both children and adults. We are concerned with teaching the recitation of the Qur'an with proper Tajweed rules for all Muslims around the globe with the best tactics and ways. We also do work on qualifying the memorizers of the Qur'an in respect to improving their recitation through practical and theoretical lessons; so that they can move on and attain their Ijazah in the Recitation and then the Memorization.

Our Tutors are graduates from the prestigious university of Al-azhar

# ” Our vision

Making online teaching easy and fun. Besides, merging between theoretical knowledge and its application as knowledge is not mere information, rather, it is what benefits and changes others.
